CHOICE U.S. COINS AT MARKET-WHOLESALE PRICES!!  
\*\*\*\*\*

Here at New England RareCoin Galleries, we are wholesale dealers in the true sense of the word! Of the \$300,000 or so business that we've done so far this year, over 90% of it has been with other dealers. And when we go to a major convention, we seldom return with much more than half of the coins we bring with us!! In fact, we know of no major dealer in rare U.S. coins with as fast a rate of turnover as we have.

Now, we are trying our hand at advertising, and selling coins to the public. We are offering coins to you at pretty much the same prices we have been getting from many of the country's leading dealers. Your response to this ad will determine whether or not we continue this program.

But first, a word about our policies:

**GRADING:** We are known in the trade for our accurate and conservative grading. We do not grade V.F. coins as E.F.'s to sell at a V.F. price. Our E.F. coins are true E.F., and the same goes for every grade listed, from FAIR to GEM PROOF. Many of the dealers who buy from us sell E.F. coins RETAIL for less than our WHOLESALE price. How can they do this? Obviously, they sell our V.F.'s as E.F.'s, and our E.F.'s as A.U.'s (or better!).

Our prices are probably the lowest to be found anywhere for legitimately graded coins. That is not to say you won't find coins advertised at lower prices than ours, but we'd wager that almost any coin advertised at a lower price than ours will not be as conservatively graded as the one we offer.

**B.U. COINS:** Our B.U. coins are strictly B.U., not merely "close" to B.U.. We do not sell processed or "whizzed" coins. Our choice coins are of very select quality, and should satisfy the most demanding of collectors. Gem B.U. coins are fully struck, fully brilliant and flawless or very near-flawless specimens. Our Gem's will please anyone!

**SERVICE:** All orders will be sent out within 48 hours of receipt (usually same day received), and all will be filled on a first-come, first-served basis. We expect to be about half sold out within 2 days and about 80% sold out within a week. Immediate refunds will be sent in the case of presold merchandise.

**APPROVAL, PHONE & C.O.D. ORDERS:** You may call to reserve any coin, and we'll hold the coin(s) aside for you for up to 5 days. Paid-in-advance orders will take priority over C.O.D. orders. Approval orders will be accepted with commercial & bank references, only after all paid-in-advance and C.O.D. orders have been filled.

**PRICING:** We have tried to price each coin based on what we feel a dealer would be willing to pay for it if he needed it for stock or for a customer. That is not to say that any dealer would buy every coin in this ad at our price. However, we are confident that if we brought every coin in this ad to a major coin convention and offered them to dealers at these prices, we would probably sell most of these coins by the end of the convention. We feel that by advertising these coins at these prices, we should probably sell an even greater percentage of these coins than we would at a coin convention. (By the way, this ad is costing us about the same as our expenses would probably be to attend a 4-day coin show in California.)

Let us hear from you soon. He who hesitates is lost!

Sincerely,

Russ Vaughn & Jim Halperin

1793 Chain Cent...Coin has Fine detail, well defined eye & other features in head & chain, but surface is somewhat pitted, so we lower grade to overall G.-V.G. at	310.00
1793 Wreath Cent, S-10, R-5, V.F.-E.F. (full E.F. by Photograde)with tiny reverse field nick which could easily be repaired	895.00

NOTE: Some dealers would not even mention the nick on the reverse of the above-listed wreath cent. It detracts very little from the appearance of the coin, and could be repaired easily, inexpensively, and unnoticed.

NOTE (con't) We, as wholesale dealers interested in fast turnover, simply do not have time to fool around with the coins we buy, in this manner. We would rather make a small profit and sell a coin in two weeks, than make twice as much profit holding the coin for two months!
